

Short Curved Windshield (Club Car/E-Z-Go/Yamaha)

Club Car fits years 1984-2005

E-Z-Go fits years 1994-2005

Yamaha fits years 1995-2005 □ □

-Installation Instructions-

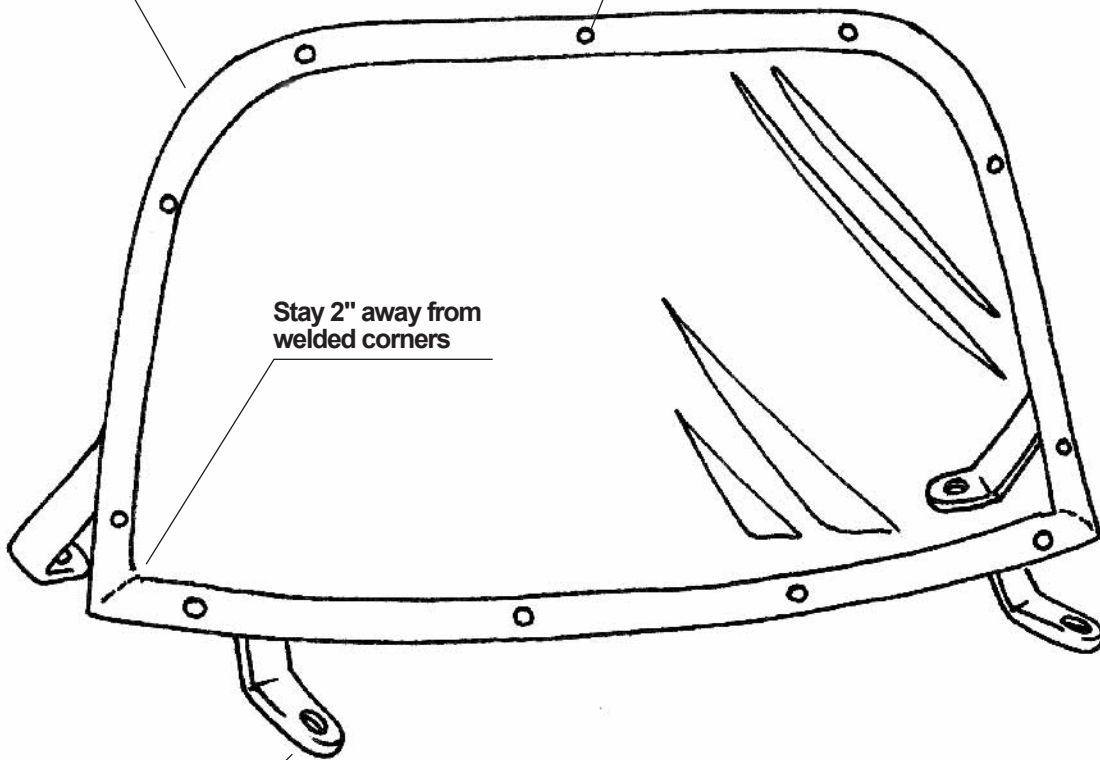

1. Mount window frame to cart first.

2. Center window on frame, hold w/ spring clamps.

3. Start by drilling 1/4" hole (slow speed) through to center radius of window frame.
Put in one rivet at a time.
Work from center of window out to sides.

Stay 2" away from
welded corners

Only on Club Car windshields

NOTE: To install bolts you may have to adjust to align w/ hole by tapping the side of the bracket w/ plastic hammer.

DISCLAIMER: All lift kit or accessory installations should only be performed by professional mechanics. The buyer assumes sole responsibility for, and shall indemnify the dealer/retailer, from any and all liability, claim, responsibility, and damage, or any costs or expenses resulting from any loss of life or injuries or claimed injuries to persons or property that may be sustained in connection with the use of any product before or after purchase, including but not limited to lift kits. Dealer/retailer reserves the right, at any time, to discontinue or change prices, specifications, features, designs, models or equipment without further notice and without incurring any further obligations.
